

# THE **POD** IN A **POUCH**

## TOILET CLEANER

A scented sulphamic acid based toilet cleaner and descaler with thixotropic properties that rapidly removes limescale and general soiling from toilets and urinals.

It's viscous formula clings to vertical surfaces, allowing longer contact time for more effective cleaning. Suitable for use on stainless steel, porcelain and ceramic.

## RECOMMENDATIONS

- Close container after use
- Do not handle sachets with wet hands - gloves should be worn using cleaning chemicals
- Store in a cool, dry and secure area
- Do not mix any cleaning chemicals

## METHOD OF USE

- 1 Fill the bottle to the line with water.
- 2 Add one sachet to the bottle with dry hands.
- 3 Shake the solution
- 4 Squirt the solution evenly above the water line and around the rim. Leave to work for a few minutes then flush.
